

Curbside Construction Ltd.

Concrete & site-work contractor · **Established 1986** · Vaughan, Ontario

For nearly four decades, Curbside Construction has built the infrastructure that keeps the Greater Toronto Area moving — from GO Station platforms to distribution-centre yards. Family-owned since 1986, we are the contractor municipalities, railways, and developers call when the work has to be right.

SERVICE AREA

Vaughan and the Greater Toronto Area, with completed work spanning Brampton, Bolton, Oakville, Toronto, Cookstown, and Gormley. Under the Gregor Siteworks division we handle parking-lot and site work for the GTA's largest industrial-commercial developers; our snow-removal division keeps rail and transit clients operating through Ontario winters.
